DOCUMENT 001 / INTERNAL ANALYSIS

THE QUESTION OF TRUST

REVIEW

READING COPY / TIMED WORD ANNOTATIONS

Fluent answers are not always true. Follow the evidence, check the source,

inspect the patterns, and verify important claims before trusting the result.

ANALYSIS NOTE / SOURCE MATERIAL
Responses are generated from learned patterns and available context. A plausible formulation is not evidence. Cross-check names, figures and claims against reliable primary documents. Consider uncertainty before acting. Review the limits of each source.
